Subject: Resignation: Colleen M. Walters, COO

Date: July 23, 2013

It is with sadness that I announce the resignation of Colleen M. Walters as Chief Operating Officer (COO). Colleen accepted a position as Regional Vice President of Mission Integration for Trinity Health System / Catholic Health East in Iowa beginning September 3, 2013. Colleen joined MPR in December 2008. Together, during the past 4 ½ years we have achieved many significant successes. One of those achievements has been the establishment of a strong team to service our clients.

As many of you know, Deanna Peters, Director for Client Services has been a member of our management team. She is well versed in the billing and collections function, the follow-up process as well as spearheading the implementation of the eCW. Deanna will be assuming responsibilities for client relations following Colleen's exit. In addition, Geri Hennigan, Manager for Quality Assurance will continue to provide oversight for the billing and collections staff. These two leaders have been with MPR for a combined total of over 20 years and are prepared to assist you with any issues related to your practice whether it be billing, coding, credentialing or consulting.

We wish Colleen all the best in Iowa! She will be missed but will remain our valued friend.
